

## Call It Closed International Realty Income Disclaimer

The Call It Closed International Realty Compensation Plan is an exciting opportunity that rewards you for referring home buyers and sellers to our Company, performing set tasks, and for sponsoring other participants who do the same. Although the opportunity is unlimited, individual results will vary depending on commitment levels and sales skills of each participant ("Associate"). Since Call It Closed International Realty has recently launched, it lacks enough statistical data to prepare reliable income disclosures. The numbers below reflect **estimates** prepared by the company pending a more detailed survey to be conducted after its first year. Based on industry standards and company projections, the average annual gross income for Associates is projected to be anywhere between **\$450 and \$1,500**. There will certainly be Associates who earn less while others may earn more. We're excited about our Compensation Plan and we're confident it will provide you a solid foundation to help you achieve your financial goals.

If income projections were presented to you prior to your enrollment, such projections are not necessarily representative of the income, if any, that you can or will earn through your participation in the Compensation Plan. These income projections should not be considered as guarantees or projections of your actual earnings or profits. Success with Call It Closed International Realty is only the result of hard work, dedication, and leadership.
